A diagram illustrating the inclusion of standard C++ library headers. At the top, a grey rectangular box contains the text `include/lacze_do_gnuplota.hh`. Three dark blue arrows originate from the bottom edge of this box and point downwards to three separate white rectangular boxes arranged horizontally below it. The leftmost box contains the text `string`, the middle box contains `list`, and the rightmost box contains `vector`. All boxes have a thin grey border.
